### PRUDENCE OF THE PARSONAGE

Is a beautiful sweet and tender story, simply told with that open-hearted frankness and candor found nowhere today so exuberant as in the happy homes of our great Middle West. It signifies those guileless graces and sweetest affections that are found in young hearts when unconstrained by the conventionalities of modern society. It will come in our homes as an angel messenger from a better world than that in which many people today are living. Wherever it is read life will be purer, companionships will be sweeter confidence will be confirmed and the tender after-glow of gentleness and love will long abide. The book will be read with laughter and tears as no other that has appeared for years. Yours very truly,

W. C. TAYLOR, D. D.,  
Pastor First Baptist Church,  
Clarksburg, W. Va.
